KRSCNA Treasurer's Report for March 20, 2022

Hello Family,

I have the January & February bank statements along with a Bank balance from 3-16-22 for our meeting today. I also have the quicken register report. We have a current balance of **$ 26,320.87** in our account. The ZOOM account has been set up and we paid for an annual subscription. We wrote one check for the ATRASCNA literature display table. We also had four donations deposited. I have put together a report that shows funding to area's from 2017 up to this year. It also shows our donations to the WSO. We have one planned withdraw going to the KRCNA 36 convention committee for $ 6000. And that leaves us with $ 20,320.87 in our account balance. We have a lot of money in our account and I would like to see an area come back with a motion to send some more money to the WSO. I'm curious about the regional funds areas received. Are the committee's that the funds supported still functioning? If anyone has any expense's you can email me mail the receipts so I have them to file. My email address is **nasho91020@yahoo.com**

Public Relations/ Meeting Schedules

Committee Chair – Rodney B.

I will pass out a new sign in sheet for members who would like to participate.

* To date I have sent the question regarding our schedule dilemma out to the region.

* I have also spoken to member of our neighboring areas and the previous P.R. Chair for the Louisville Area.

* We currently have a meeting schedule that is put out by the 502 Area, which includes all meetings in Louisville and the surrounding areas. The question at this point for us is whether those in the Louisville Area are meeting and carrying the message.

* Our biggest challenge is simple not having a PR Chair in place, but we can function on a minimal basis in this interim

* My proposal is that The ASC put out a form either on the website or to be picked up at the ASC meeting that would give members of any groups desiring to be added or kept on the meeting schedule a way to communicate, which is in line with our policy. Any other issues will be addressed with this committee

SUBJECT: Meeting Schedules

Good afternoon, I have talked to both the OVANA and 502 areas about their meeting schedules. The most up to date meetings are listed online in the web sites. OVANA shared that they work with the 502 area and update their schedules through them. The 502 area shared that the hard copy we see in our meeting rooms are hard to keep updated because of the constant change of new meetings, location changes, etc. It was expressed to me that they do the best they can but our fellowship meetings change.

There is also an online meeting schedule at the regional web page. A person can go to each area and be given a meeting list for that area. TYPE in KRSCNA, go to that sight and there are three bars on the top left area. Click on Areas and the areas list comes up, you click on an area and the meeting list comes up.

May suggestion is to go to the 502 online meeting schedule for the most up to date area meetings and use that. We have to let go of the fact that a hard copy meeting is perfect. We could also put a statement on our meeting g schedules that states For an Accurate Updated meeting g list go to our web site at _____
